Chapterwise PYQs

13 sections | 55 questions | 2022, 2023, 2024, 2025, 2026

CBSE board examination questions

Selected and rewritten questions are grouped under the current chapters or course topics. Each question shows its examination year. A chapter appears only when a verified question is available.

Choose a chapter or topic

Human Ecology and Family Sciences		
Chapter 1	Work, Livelihood and Career	2
Chapter 2	Clinical Nutrition and Dietetics	5
Chapter 3	Public Nutrition and Health	3
Chapter 4	Food Processing and Technology	4
Chapter 5	Food Quality and Food Safety	3
Chapter 6	Early Childhood Care and Education	3
Chapter 7	Management of Support Services, Institutions and Programmes for Children, Youth and Elderly	4
Chapter 8	Design for Fabric and Apparel	8
Chapter 9	Fashion Design and Merchandising	3
Chapter 10	Care and Maintenance of Fabrics in Institutions	5
Chapter 11	Hospitality Management	5
Chapter 12	Consumer Education and Protection	4
Chapter 13	Development Communication and Journalism	6

CHAPTER 1

Work, Livelihood and Career

Human Ecology and Family Sciences

1. 2025
   Define ergonomics and explain two workplace-design benefits.

2. 2023
   Name the four pillars of ergonomics.

CHAPTER 2

Clinical Nutrition and Dietetics

Human Ecology and Family Sciences

3. 2026
   Define phytochemicals and list three professional skills a dietitian needs.

4. 2025
   Identify a suitable diet for someone with dentures and give two examples.

5. 2023
   Differentiate phytochemicals from medical foods.

6. 2023
   State four objectives of diet therapy.

7. 2023
   Identify four methods used to assess a patient's nutritional status.

CHAPTER 3

Public Nutrition and Health

Human Ecology and Family Sciences

8. 2025
   Define food fortification and give two examples.

9. 2025
   Distinguish underweight from wasting.

10. 2025

Expand PEM and briefly explain it.

CHAPTER 4

Food Processing and Technology

Human Ecology and Family Sciences

11. 2026

Apart from preserved foods, explain three categories based on processing extent or type.

12. 2025

Name two pre-twentieth-century food-processing pioneers and the process associated with each.

13. 2024

Name four food-processing activities suitable for household or cottage-scale self-employment.

14. 2023

Compare manufactured and formulated foods, with an example of each.

CHAPTER 5

Food Quality and Food Safety

Human Ecology and Family Sciences

15. 2026

Expand HACCP and describe four levels of food standards.

16. 2024

Expand HACCP and give three reasons for its importance in food businesses.

17. 2023

Define toxicity and hazard; explain three food-hazard categories with examples.

CHAPTER 6

Early Childhood Care and Education

Human Ecology and Family Sciences

18. 2025

Explain six ways a preschool environment supports children's development.

19. 2024

State two ECCE objectives identified in the NCF 2005 position paper.

20. 2023

Explain six qualities parents should seek in a preschool.

CHAPTER 7

Management of Support Services, Institutions and Programmes for Children, Youth and Elderly

Human Ecology and Family Sciences

21. 2026

Explain three objectives of Beti Bachao, Beti Padhao.

22. 2024

Expand CARA and state one function serving vulnerable children.

23. 2024

Expand NSS and state one youth-development objective.

24. 2024

Explain three reasons for elderly people's vulnerability and name three multi-service-centre facilities.

CHAPTER 8

Design for Fabric and Apparel

Human Ecology and Family Sciences

25. 2026

Name four design principles and explain three in the context of an attractive dress.

26. 2025

Explain three ways to apply proportion and the Golden Mean in apparel design.

27. 2024

Distinguish structural design from applied design.

28. 2024

Suggest two ways to create rhythm in a bridal lehenga; identify the harmony using a single hue.

29. 2023

Explain two ways to achieve harmony in a shirt-and-trouser outfit.

30. 2022

Name four design principles useful to a boutique owner designing clothes.

31. 2022

State another name for neutral colours and give three examples.

32. 2022

Explain complementary colour harmony using a clothing example.

CHAPTER 9

Fashion Design and Merchandising

Human Ecology and Family Sciences

33. 2026

Explain two fashion-merchandiser roles and two market-segmentation methods.

34. 2023

Discuss the three levels of fashion merchandising.

35. 2022

Describe three kinds of fashion retail organisation.

CHAPTER 10

Care and Maintenance of Fabrics in Institutions

Human Ecology and Family Sciences

36. 2026
Identify two factors affecting fabric care and maintenance.

37. 2025
Give two differences between ironing and hot pressing.

38. 2025
Describe six characteristics of a hospital laundry.

39. 2024
Identify four commercial-laundry operations and explain code tagging.

40. 2022
Describe two methods of extracting water from washed clothes.

CHAPTER 11

Hospitality Management

Human Ecology and Family Sciences

41. 2026
Describe two environmentally responsible housekeeping practices.

42. 2025
Describe front-office actions at each stage of the guest cycle for a three-night resort stay.

43. 2023
Explain the four stages of a hotel's guest cycle.

44. 2022
Distinguish a hotel from a motel.

45. 2022
Name four housekeeping sections and explain two duties of an executive housekeeper.

CHAPTER 12

Consumer Education and Protection

Human Ecology and Family Sciences

46. 2026

Describe three consumer rights under consumer-protection law.

47. 2026

Explain three career areas in consumer education and protection.

48. 2023

Describe four consumer rights and four consumer responsibilities for a school speech.

49. 2022

Explain why consumers should check standardisation marks.

CHAPTER 13

Development Communication and Journalism

Human Ecology and Family Sciences

50. 2026

Give one similarity and one difference between print media and ICT in development communication.

51. 2026

Explain three features to include in a Swachh Bharat public-service announcement.

52. 2024

Compare print media and television for development communication.

53. 2022

Explain the contribution of radio and television to development communication.

54. 2022

Explain ICT and state two advantages.

55. 2022

Explain three career avenues in development journalism.
