

Internship Orientation and Rotation Plan

Experiment 1 - Practical Notes

Name: _____ Roll no.: _____ Date: _____

Aim

To complete and document the internship orientation and rotation plan internship activity.

Principle

The supplied syllabus defines a twelve-month rotational internship/residency: six months in General Medicine and two months each in three other specialty departments.

Requirements

- Institution-approved rotation plan and clinical service procedures.
- Allocated patient/ward records accessed with permission, activity log and preceptor.

Procedure

1. Confirm allocation

Enter the approved institution, preceptor and rotation dates.

2. Plan rotations

Record General Medicine and the three specialty departments actually assigned by the institution; do not assume a fixed specialty list.

3. Complete induction

Review access, confidentiality, medicine-use workflow, communication and emergency escalation.

4. Set learning goals

Agree the clinical pharmacy competencies and expected activities for each rotation.

5. Maintain the plan

Record approved schedule changes and completion review by the preceptor.

Observations and Record

Record item	Entry
Institution / preceptor	_____
Rotation allocation and dates	_____
Induction completed	_____
Learning goals	_____
Schedule changes / review	_____

Internship and Residency

Result

Activity / date: _____. Work completed: _____. Preceptor feedback: _____. Follow-up: _____.

Precautions

- Enter only work actually performed; leave supervisor verification and certification fields for the authorised person.
- Use coded cases and protect patient privacy.
- Escalate urgent clinical issues through the treating team and follow the institution-approved responsibilities.

Viva Questions and Answers

1. Why maintain a verified work record?

It documents the activity, competency and feedback required for assessment.

2. What supports a clinical recommendation?

Current patient findings, suitable medicine information and a clear rationale within the approved clinical role.

Rotation Record

Rotation	Duration in supplied syllabus	Assigned department / dates
General Medicine	6 months	_____
Specialty rotation 1	2 months	_____
