Internship and Competency Assessment

22 weeks | 1,056 clinical hours | 12 credits

Clinical Rotations

- Community Health Nursing - 4 weeks
- Adult Health Nursing - 6 weeks
- Child Health Nursing - 4 weeks
- Mental Health Nursing - 4 weeks
- Midwifery - 4 weeks

Practical Assessment

- Each of the five specialties contributes 10 internal marks for clinical performance and 10 for OSCEs. The university integrated OSCE carries 20 marks per specialty, for a further 100 marks.
- Complete the required clinical skills in each specialty, with the prescribed logbook and sign-offs.

Internship Logbook

- Note: Maximum of 30% of all skills/procedures can be performed by students in skill lab/simulation lab for all clinical nursing Courses except Community Health Nursing and Mental Health Nursing in which the percentage allowed is only 10%
- - When the student is found competent to perform the skill, it will be signed by the faculty/tutor.
- Students: Students are expected to perform the listed skills/competencies many times until they reach level 3 competency, after which the preceptor signs against each competency.
- Preceptors/faculty: Must ensure that the signature is given for each competency only after they reach level 3.
- Level 3 competency denotes that the NP student is able to perform that competency without supervision
- Level 2 Competency denotes that the student is able to perform each competency with supervision
- Level 1 competency denotes that the student is not able to perform that competency/skill even with supervision
- Signature of the Faculty Coordinator Signature of the HOD/Principal

Progression

- INC Notification No. 2 of 2026 allows students with backlogs to continue attending through Semester VIII, subject to the attendance and internal assessment requirements for each exam. Clear all previous examinations through Semester VII before appearing for the Semester VIII examination. The programme must be completed within eight years.
